Type Funding of Projects

Areas Ensure access to health care for women and girls

What Financial support of a centre where a professional specialist team supports women suffering from cancer physically as well as psychologically. Focus is on practical solutions, as how to live a normal life and if necessary providing financial support.

Why We wanted to do something very concrete for women suffering from cancer, to give them a feeling of wellness although they cannot afford it.

How We organised a golf tournament to raise funds.

Results Foundation Mimi could afford a better setup of the room where they receive the patients who are asking for help, the site itself is provided by the hospital AZ at Wilrijk.

Funds Raised \$10880

Women Helped 20

Girls Helped 0

Recommendations We would like more Soroptimist clubs to join us for in our support for the foundation Mimi.
